

## Roshni Clinic

Roshni Clinic is a service that provides support for men and women (19 years and older) of the South Asian community with any substance use concerns.

Services are provided in English, Punjabi and Hindi by health care providers who specialize in substance use disorders.

The clinic is located at:

**Creekside Withdrawal  
Management Centre**

13740 94A Ave, Surrey, BC  
**604-953-6190**

## Day, Evening, Weekend (DEW) Treatment Program

This program is for adults (19 years and older), of all genders, living in the Fraser health region who are looking for an intensive day, evening or weekend outpatient substance use treatment program. A program tailored to you, based on your goals for treatment and designed to provide flexibility.

You can access the program from anywhere virtually, or visit a site most convenient for you at three locations in New Westminster, Surrey and Chilliwack.

Please call to register and a Clinician will help with determining what sessions are right for you to meet your desired goals.

Individuals can self-refer by calling **1-888-587-3755**, option 4, then option 0 to speak to receptionist.
