

*Are you positive,
you're negative?*

Get tested for **HIV/AIDS**
and **Hepatitis C**

Stop HIV/AIDS in youth

Did you know that one-third of people with HIV don't know they have it?

What can you do to reduce your chances of getting HIV/AIDS?

- Get yourself tested at a doctor's office, Public Health Unit or Youth clinic
- Always wear a condom

For information about testing please call your local Public Health Unit or Youth clinic.

Visit FH website for a list of Youth clinics
www.fraserhealth.ca or contact
the BC Nurse Line for more information.

*I never
thought it
could happen
to me*
