

*Are you positive,  
you're negative?*

*Get tested for HIV/AIDS  
and Hepatitis C*

## **Stop HIV/AIDS in youth**

Did you know that one-third of people with HIV don't know they have it?

What can you do to reduce your chances of getting HIV/AIDS?

- Get yourself tested at a doctor's office, Public Health Unit or Youth clinic
- Always wear a condom

For information about testing please call your local Public Health Unit or Youth clinic.

Visit FH website for a list of Youth clinics [www.fraserhealth.ca](http://www.fraserhealth.ca) or contact the BC Nurse Line for more information.

*I never thought  
it could happen  
to me*

*Are you positive,  
you're negative?  
Get tested for **HIV/AIDS**  
and **Hepatitis C***
