

## Are Your Child's Immunizations Up-to-Date?

Check your child's immunization records by logging in to your account at [HealthGateway.gov.bc.ca](https://HealthGateway.gov.bc.ca). Children 12 years old and older need to log in to their own account.

### If your child needs an immunization:

Make an appointment at your local public health unit, family doctor, or local pharmacy. For more information and a list of pharmacies offering immunizations, go to [FraserHealth.ca/howtogetimmunized](https://FraserHealth.ca/howtogetimmunized).

### If the immunization record is missing immunizations that your child received:

Contact the health care provider who gave the immunizations. Ask for a copy of the immunization record.

Send the records to Public Health by going to [FraserHealth.ca/immunizationform](https://FraserHealth.ca/immunizationform).

### If you need more information:

Go to [FraserHealth.ca/immunize](https://FraserHealth.ca/immunize) or call your local public health unit.
