Are Your Immunizations Up-to-Date?

Students can check their immunization records one of these ways:
- Scanning this QR code
- Going online to HealthGateway.gov.bc.ca
- Using the Health Gateway app

If you need an immunization:

Make an appointment at your local public health unit, family doctor, or local pharmacy. For a list of pharmacies offering immunizations, scan this QR code or go to FraserHealth.ca/howtogetimmunized.

If your immunization record is missing immunizations that you received:

Contact the health care provider who gave you the immunizations. Ask for a copy of the immunization record.

Once you have a copy of the records, send it to Public Health by either scanning this QR code or going to FraserHealth.ca/immunizationform. When Public Health receives it from you, they will add it to your immunization records.

If you need more information:

Go to FraserHealth.ca/immunize or call your local public health unit.
