

Are Your Immunizations Up-to-Date?

Students can check their immunization records by logging in to their account at HealthGateway.gov.bc.ca.

If you need an immunization:

Make an appointment at your local public health unit, family doctor, or local pharmacy. For more information and a list of pharmacies offering immunizations, go to FraserHealth.ca/howtogetimmunized.

If your immunization record is missing immunizations that you received:

Contact the health care provider who gave you the immunizations. Ask for a copy of the immunization record.

Send the record to Public Health by going to FraserHealth.ca/immunizationform.

If you need more information:

Go to FraserHealth.ca/immunize or call your local public health unit.
