

## Car Seats for Small Babies (4 pounds)

Many car seats fit small babies. We list 6 car seats that have a lower weight limit of 4 pounds (lbs). There are many more available.

It is important to get a car seat with low shoulder slots to make sure they can be set up **at or below your baby's shoulders**.

### Chicco Key Fit 30

- 4 to 30 lbs
- **Lowest Shoulder Slot is 5"**
- 3 adjustable shoulder height slots
- 1 lower buckle position
- Approximate price: \$350

### Evenflo LiteMax

### Please note:

Car seat prices vary.

The approximate prices listed here just give you an idea of the price range for different car seats.

### Other things to consider:

- fitting the car seat in your car
- size of the car seat
- weight of car seat

Use this information along with the information sheet:

## **Car Seat Safety: Choosing a safe car seat for your new baby and using the car seat correctly**
