

Help us protect everyone in the Emergency Department

We take your safety seriously

To protect you from **COVID-19**, we ask you to:

Answer screening questions for COVID-19

- We keep the people who might have signs of COVID-19 away from others

Clean your hands with soap and water or alcohol-based hand rub at check-in

Clean your hands often during your stay

Try to stay at least 2 metres (6 feet) away from others (physical distancing)

Wear a disposable medical mask at all times

- If you do not have a disposable medical mask, we will give you one

Visitors are limited to essential visits only

- Ask us what essential visits are
