

Helpful Hospice Resources for You and Your Caregivers

There are many resources that you may find helpful. Here are some that we recommend.

www.virtualhospice.ca

The Canadian Virtual Hospice offers information and support for people dealing with life threatening illness and loss. You can find materials in the **Topics** section on symptoms, providing care, emotional and spiritual health, communication, decisions, financial assistance, and final days.

· www.stlazarus.ca/acaregiversguide

The Order of Saint Lazarus and the Canadian Hospice Palliative Care

Association have created A Caregiver's Guide: a Handbook about End of Life Care. It has practical information about giving care along with symptom care as life ends.

Click on the front cover image to access the online version or email them to order a paper copy.

Contact your local Hospice Society to:

- Speak to a volunteer or counsellor for support.
- Borrow a book from their lending library.
