

Immunization status: Grade 9 students

Dear Student/Parent/Guardian/Representative,

Getting vaccinated on schedule is the best way to protect yourself from many dangerous diseases. We regularly check student immunization records to help make sure they stay up-to-date on vaccines.

**We have attached the student’s immunization history report.  
It shows that they might be overdue for certain vaccines.**

If the student has had any vaccines outside of a school clinic, such as from a family doctor, nurse practitioner, or pharmacy, the vaccines would not be included in this report.

If the student did get other vaccines not listed in the report:

- Contact the health care provider who immunized them and ask for a copy of the immunization record.
- Report these immunizations to Public Health online by either scanning this QR code or going to [FraserHealth.ca/immunizationform](https://FraserHealth.ca/immunizationform)

If the student has not yet had all the vaccines listed in the report, please make an appointment with a public health unit, family doctor, nurse practitioner, or pharmacy. All routine vaccines are free in British Columbia.

Note: Not all family doctors, nurse practitioners, or pharmacies offer vaccines. Make sure to call ahead and check.

To make an appointment for immunization at a public health unit:

- Call 604-702-4906 if you live in Mission, Abbotsford, Chilliwack, Agassiz, or Hope
- Call 604-476-7087 if you live in any of the other communities of Fraser Health

For more information, please call your local public health unit or visit our website: [FraserHealth.ca/immunize](https://FraserHealth.ca/immunize).

Sincerely,

Dr. Lindsay Bowthorpe, MD, MPH, CCFP, FRCPC  
Medical Health Officer – Medical Director
