

Connect with an **Indigenous health liaison** for cultural support, advocacy and health information.

1-866-766-6960

This is a confidential voicemail service that is checked regularly for new referrals.
Please speak clearly when leaving your message and call-back number.

fraserhealth.ca/Indigenous

Fraser Health provides care on the traditional, ancestral and unceded territories of the Coast Salish and Nlaka'pamux Nations, and is home to six Métis Chartered Communities.

fraserhealth

Better health. Best in health care.

Indigenous health liaisons can:

- Help you navigate the health care system
- Support your transition from hospital to home
- Advocate for your choices and decisions in care planning
- Connect you with an Elder or cultural advisor to support cultural practices
- Connect you with mental health and/or substance use services
- Connect you with Indigenous community resources
