

# Pediatric Access to Rapid Care Clinic

Peace Arch Hospital

Phone: 604-542-4055

## **Your child is referred to our clinic to see a children's doctor (paediatrician)**

Our clinic is an outpatient clinic for children with medical concerns. Some children might require tests or minor medical procedures such as IV therapy or wound care.

## **Appointment Times**

We call you by telephone within 2 to 3 days after receiving a referral from your primary care provider or emergency department doctor.

If you do not hear from us after 3 days, call the number on the front of this pamphlet.

Appointment times are from 12:15 p.m. to 3:45 p.m., Monday to Friday.

**Please bring your child's BC Care Card or  
Personal Health Number**

## **If you need to cancel the appointment**

Please call us as soon as possible.

## **For more information**

Contact us at the clinic between 12 p.m. and 4:30 p.m.

Phone: 604-542-4055

## **What happens at my child's appointment?**

The doctor examines and assesses your child for the medical concern for which they were referred to the clinic. If you have other concerns about your child's health, the doctor will advise and/or refer you to health services in your community.

## **How long will I have to wait?**

Your wait time could be longer than expected. As the clinic is in a hospital, emergencies might happen at any time and could need the doctors support.

How much time you spend at your appointment depends on your child's medical concern and any tests or treatments they might need.

## **Going Home**

When the doctor decides your child can go home, we send you with information for:

- How to care for your child at home
- Any follow-up tests or appointments

## **Address**

15521 Russell Avenue  
White Rock, B.C.  
V4B 5M2

## **Directions**
