We Can Help!**

Making changes is hard work. Often, it helps to talk to someone knowledgeable and understanding, who can assist you in reaching your goals.

Whether you want to cut down, quit, or are struggling with someone else's alcohol or drug problem, we can help.

What We Do

- We provide free counselling, referrals, education and groups to our clients & community members.
- We involve our clients in their treatment planning, including goal setting and outcome evaluation.

- We use a holistic approach that assists people to enhance many areas of life.

We are a direct service of Fraser Health.

Our objectives are to decrease substance misuse and improve health, family, social, employment and educational functioning.
