

Your child’s immunization status for Kindergarten

Dear Parents, Guardians or Representatives,

Getting your child vaccinated on schedule is the best way to protect them from many dangerous diseases.

We regularly check student immunization records to help make sure children stay up -to-date on vaccines.

**We have attached your child’s immunization history report.
It shows that they might be overdue for certain vaccines.**

If your child’s record show their vaccines are not up to date but they did get vaccines from a health care provider outside of Public Health, such as by a family doctor, nurse practitioner, or pharmacy, please do the following:

- Contact the health care provider who immunized your child and ask for a copy of the immunization record.
- Report these immunizations to Public Health online by either scanning this QR code or going to FraserHealth.ca/immunizationform

If your child has not yet had all the vaccines listed in the report, please make an appointment with a public health unit, family doctor, nurse practitioner, or pharmacy. All routine vaccines are free in British Columbia.

Note: Not all family doctors, nurse practitioners, or pharmacies offer vaccines. Make sure to call ahead and check.

To make an appointment for immunization at a public health unit:

- Call 604-702-4906 if you live in Mission, Abbotsford, Chilliwack, Agassiz, or Hope
- Call 604-476-7087 if you live in any of the other communities of Fraser Health

For more information, please call your local public health unit or visit our website: FraserHealth.ca/immunize.

Sincerely,

Dr. Lindsay Bowthorpe, MD, MPH, CCFP, FRCPC
Medical Health Officer – Medical Director
